# Tina's daily routine

Read about Tina's daily routine and answer the questions.

Hi! My name is Tina. I'm 13 years old and I'm English. I live with my family in London, England.

My day usually starts quite early. I always get up at 6.30 on weekdays but at the weekend I wake up at 8.00 in the morning. When I get up, I go to the bathroom first. I wash my face, brush my teeth and then I take a shower. After that I comb my hair and get dressed. I usually wear shorts and T-shirt.

In the morning, I always have breakfast with my mom and my younger brother, Tom. My dad never has a breakfast with us because he starts his work early on weekdays. I usually have orange juice and hamburger, but my younger brother likes milk and sandwiches. After that I start school in online session.

Because of COVID-19, We need to study online class. My first class starts at 8.20. I like math best but I'm also good at science and English. My school usually finishes at 14.10.

After school, I am always on Facebook and talk with friend in Line application. I sometimes watch TV or listen to music. I hardly play computer game because I find it boring. We have dinner at 19.00. I often help my mom set the table. After dinner, I do my homework and surf the internet for a while.

At 19.30 I go to the toilet. I take a shower, brush my teeth, and put on my pajamas. Before I go to bed, I listen to music because it makes me feel relaxed. This is my weekdays!
