

Reporter: So Phuc, why do you ?

Phuc: I because it in our community. We can encourage people to..... the and our community will be a better place.

Reporter: Do you think is good for yourself too?

Phuc: Oh yes, I've made many and I feel much more

Reporter: I agree. You've answered the interview very well. And you Mai?

Mai: is to me because I can others. It's special because I can see how the children are when they
