Capacity	Adapts, organizes, and develops an oral text in English in a cohesive and coherent way.
Specific clarification	Identifies the language based on a context using the appropriate vocabulary and structure.

A. Listen and read. **What happened to the backpack?**

First Day at Work!

You just started helping out at the gift shop at Greenfell Mountain National Park. Unfortunately, there has been a power outage and you have to do all the calculations yourself and write them down in your notebook. Here's a short price list:

sunscreen \$11.99	disposable camera \$16.99	chips \$1.49
insect repellent \$9.19	map of the park \$3.50	apple 95¢
sunglasses \$22.99	bottle of water \$1.80	postcards \$1.10

Mr. Briggs: "Hello. This is my first time hiking, and I need some suggestions for what to get. Oh, never mind. I see you've put up a list of suggestions. Perfect! Let's see... insect repellent, sunscreen, two bottles of water, and a map. I think that's all. I don't need to buy anything else. Wait. I'll have an apple and a bag of chips, too. How much is it?"

Miss Lee: "Hi. I'm so glad this shop's here. While we were driving here, I realized I didn't have any insect repellent. Can I get three bottles of that, please? Oh, and I forgot to bring a snack for my Grade 5 students. So I need 15 apples. How much is that?"

Amanda: "Oh, hi. Listen. Guess what happened to me? I was out hiking this morning when I saw this beautiful flower. I tried to take a picture of it. But while I was opening my backpack, I heard an animal sound and dropped it. My backpack fell down the side of the mountain! Grr! One disposable camera, please. I'm going to try again. Oh, and I need to buy a bottle of water and a pair of sunglasses, too. Everything was in that bag! So, how much is it altogether?"

Mr. Briggs:	\$29.90	\$30.72
Miss Lee:	\$28.84	\$51.30
Amanda:	\$41.78	\$43.78
