

# Have you ever

Have you ever loved somebody so much

It makes you

Have you ever needed something so bad

You can't sleep

Have you ever tried to find the words

But they don't come out

Have you ever, have you ever

Have you ever been

Been in love so bad

You'd do anything to make them

Have you ever had someone steal your heart away

You'd give anything to make them

Have you ever searched for words to get you in their heart

But you don't know

And you don't know where

[Chorus]

Have you ever found the one

You've dreamed of all of your life

You'd do just about anything to look into their eyes

Have you finally found the one you've given your heart to

Only to find that one won't give their heart to you

Have you ever closed your eyes and

Dreamed that they were there

And all you can do is wait for the day when they will care

What do I gotta do to get you in my arms baby

What do I gotta say to get to your heart  
To make you understand how I need you next to me  
Gotta get you in my world  
'Cuz baby I can't sleep
