I **saw** her through the window today
She **was sittin'** in the Silver Spoon Cafe
I **started** to **keep going** but something **made** me **stop**
She **used** to **love** me a lot

She **looked** lonely and I **knew** the cure
Old memories would **win** her heart for sure
I **thought** I'd **walk** on in and I'd **give** it my best shot
She used to love me a lot

I **sat** down beside her and she **smiled**
She **said** "where have you been? It's been a while"
She *was* glad to **see** me, I could almost **read** her thoughts
She *used* to *love* me a lot

She *used* to *love* me with a love that wouldn't **die**
Looking at her now I can't **believe** I *said* goodbye
It *would* only **take** a minute to **turn** back the clock
She *used* to *love* me a lot

I **remember** how good it was back then
And I *said* "it's not too late to **start** again
We *could* **spend** the night together, *take* up where we **left** off"
She used to love me a lot
But I **panicked** as she *turned* to *walk* away
As she **went** out the door I **heard** her say
"Yes I'm in need of something, but something you ain't **got**
But I *used* to *love* you a lot"
