

Gotye – Somebody that I used to know

1. Listen to the song and fill in the spaces with the words you hear.

Now and then I think of when we _____ together
Like when you _____ you felt so happy you could die
I told myself that you were right for me
But felt so lonely in your _____
But that was _____ and it's an ache I still remember

You can get _____ to a certain kind of sadness
Like _____ to the end, always the end
So when we found that we could not make _____
Well you said that we would still be friends
But I'll admit that I was _____ that it was over

2. Number the sentences in the correct order

- () I guess that I don't need that though
- () Make it like it never happened and that we were nothing
- () No, you didn't have to **stoop so low**
- () Have your friends collect your records
- () And then change your number
- () And that feels so rough
- () But you didn't have to **cut me off**
- () I don't even need your love, but you treat me like a stranger
- () Now you're just somebody that I somebody know
Now you're just somebody that I used to somebody
Now you're just somebody that I used to know

3. Listen and choose the correct word from the three given

Now and then I think of all the lines / signs / times you **screwed me over**
But had me agreeing / believing / perceiving it was always something that I'd done
I don't wanna live that way
Reading into every word you say
You said that you should / would / could **let it go**
And I wouldn't catch you **hung up on** somebody that you used to know-oh-oh
(Repeat Chorus)
