

Nome: _____

Sólidos Geométricos

1) Preencha as informações referentes a cada sólido geométrico.

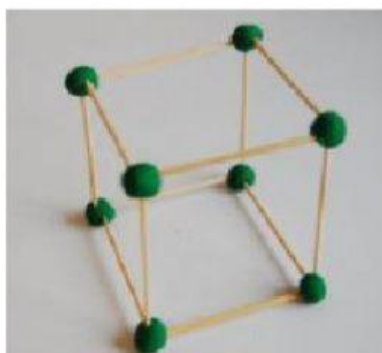

Pirâmide de base quadrada

Quantas faces?

Quantas vértices?

Quantas arestas?

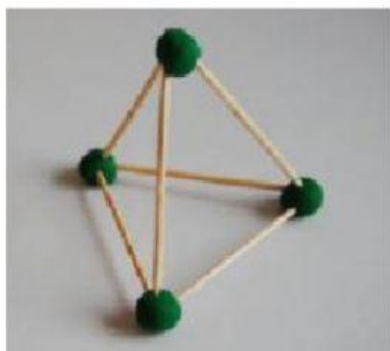

Cubo

Quantas faces?

Quantas vértices?

Quantas arestas?

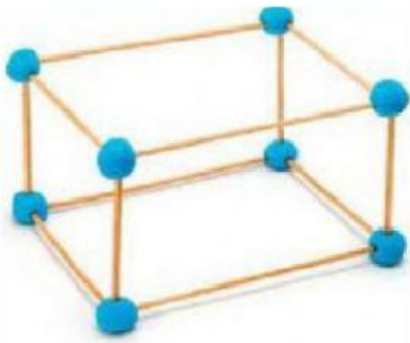

Pirâmide de base triangular

Quantas faces?

Quantas vértices?

Quantas arestas?

Paralelepípedo

Quantas faces?

Quantas vértices?

Quantas arestas?

2) Ligue cada sólido geométrico a sua planificação.
