

General symptoms

Listen to the conversation two women are having and complete the sentences by using one word from the board below. (there are 2 you do not need to use)

1. I have this terrible burning sensation in my throat, is that normal?
2. Maybe, is it _____?
3. Yes, it makes me want to scratch it. I even think it is _____.
4. No way. Let me see... Oh my God! It is _____! What did you eat?
5. Nothing! I promise!
6. Did you eat some of those Hot Cheetos? You know they can make you sick, right?
7. Yeah but when I eat them I don't feel anything _____ at all.
8. Mmm I don't believe you. Hot cheetos make me _____.
9. Believe me girl. I'll eat my Cheetos until my stomach is as _____ as Carrie.
10. And you'll get a _____ disease as well, you stubborn girl.
