## Somebody That I Used to Know

### Reported speech

**1. Discuss the following questions with a partner:**

- Why do you think people fall in love?
- What is the most romantic movie you know?
- In all cultures there are famous love stories (i.e. Romeo and Juliet). What is a famous love story in your country?
- Do you believe in love at first sight?
- Why are most songs about love?
- Have you ever broken up with someone? Is it possible to be friends after it?

**2. Listen to the following song and fill in the gaps with the missing words:**

Now and then I think of when we were together  
 Like when you said you felt \_\_\_\_\_ you could die  
 Told myself that you were right for me  
 But felt so \_\_\_\_\_ in your company  
 But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness  
 Like resignation to \_\_\_\_\_, always \_\_\_\_\_  
 So when we found that we could not make sense  
 Well, you said that we \_\_\_\_\_ be friends  
 But I'll admit that I was glad it was over

(CHORUS)  
**But you didn't have to cut me off  
 Make out like it never happened and that**

**And I don't even need your love  
 But you treat me like a \_\_\_\_\_ and that feels so  
 rough  
 No, you didn't have to stoop so low  
 Have your \_\_\_\_\_ collect your records**

**And then \_\_\_\_\_**

**I guess that I don't need that though**

**Now you're just somebody that I used to know**

Now and then, I think of all the times you s\* me over  
 But had me believing it was always something  
 That \_\_\_\_\_

But I don't wanna live that way

Reading into every word you say

You said that you \_\_\_\_\_  
 And I wouldn't catch, you hung up on  
 Somebody that you used to know

**(CHORUS)**

Somebody (I used to know)

Somebody (now you're just somebody that I used to  
 know)

Somebody (I used to know)

Somebody (now you're just somebody that I used to  
 know)
