Revision: There is/there are

My town is called Devizes. It isn't a very big town – there are about twelve thousand people here. There are shops, banks, cafés, a post office, and two supermarkets. There's a swimming pool in the town, too!

There isn't a shopping centre in Devizes, but there are some great shops on a road called The Brittox. There are lots of churches, and there's a museum between two churches on Long Street. My favourite place in Devizes is the town square. There aren't lots of cafés on it, but there's a market every Thursday.
