

A BAD DAY

My day was a nightmare! I had a job interview this morning but I forgot to set the alarm clock. I overslept and couldn't have a shower or breakfast. I went to the garage putting on my shoes and setting my hair at the same time.

The car wouldn't start, and I was only able to make it work at the third time I tried. The traffic was awful and I arrived at the parking garage 5 minutes before the

interview. Luckily, I found a spot, but a guy in a red Mercedes tried to take it. I cut him off and managed to put my car there and - of course - he didn't like it, he complained not in a nice way and I had to tell him what I think of people like him.

I was quarreling with the jerk when I slammed my finger in the car door, and I was so nervous that I didn't notice the keys were still in the car and locked it.

I didn't have time to deal with it at that moment, so I rushed to arrive for the interview on time and guess who the interviewer was: the guy I met at the parking garage!

I wish I hadn't gotten up today.
