1. Look at the pictures then write the correct statement. Use the word bank.

- People will go to the moon in 2050.
- We will stay at home.
- We will take a vaccine this year.

2. Read and put a check, next to predictions you think will probably happen.

- ☐ We will use flying cars.
 - ☐ There won't be any more pollution.
 - ☐ Robots will take people's jobs.
 - ☐ We will find a solution to climate change.
 - ☐ We will have assistant robots at home.
-
- ☐ People will travel to space on vacation.

3. Write correctly the structure about future predictions. Use the GRAMMAR TIP.

- a. I think that... we will have flying cars by the year 2050.
- b. I think... we won't have a solution to climate change by the year 2030.
- c. I will be a doctor.

EXTRA POINT

The next Olympic Games be in London.

I give you a call at about 6 o'clock.

She give you a call tomorrow.
