TECHNOLOGY 3

Przeczytaj tekst i odpowiedz na pytania:

My name is George. My favourite device is my laptop. I use it to do my homework and play games. It has got a webcam and a microphone so I can chat with my friends online.

My brother's name is Nigel. His favourite device is the TV set. He loves watching TV. He likes comedies and horror films best.

My sister's name is Ann. Her favourite device is her mobile phone. She likes listening to music and talking to her friends on the phone. Ann also uses the camera in her phone to take pictures and post them online. She's interested in photography and she wants a professional digital camera for her birthday.

1) What is George's favourite device?

2) What does he use it for?

3) What is Nigel's favourite device?

4) What does he use it for?

5) What is Ann's favourite device?

6) What does she use it for?

7) What does Ann want for her birthday?
