H Division

June 17th 1889

I beg to report that at 10 minutes to 1 o'clock the 17th inst*.: I was passing through Castle Alley Whitechapel trying the doors when I saw a woman lying on the pavement, but I saw no one in the street at the time. I touched the body with my hand and found that she was quite warm. I at once blew my whistle when I saw Isaac Lewis Jacob of No. 12 New Castle Place, Whitechapel, going towards Wentworth Street, with a plate in his hand. He said that he was going to get something for his supper ... Just at that minute Sergeant Badham heard the whistle blow and came running up to my assistance ...
