Now and then I think of when we were _____
Like when you said you felt so happy you could die
Told myself that you _____ _____ for me
But felt so lonely in your company
But that was love and it's an _____ I still remember

You can get addicted to a _____ kind of sadness
Like resignation to the end, always the end
So when we found that we _____ _____ _____ sense
Well, you said that we would still be friends
But I'll admit that I was _____ it was over

[CHORUS]

But you didn't have to cut me off
Make out like it never happened and that we _____ _____
And I don't even need your love
But you treat me like a stranger and that feels so _____

No, you didn't have to stoop so low
Have your friends _____ your records
And then change your number
I guess that I _____ _____ that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know (x2)

Now and then, I think of all the times you screwed me over
But had me _____ it was always something that I'd done
But I don't wanna live that way
Reading into every word you say
You said that you could _____ _____ _____
And I wouldn't catch, you hung up on
Somebody that you used to know

[CHORUS]

Somebody (Now you're just somebody that I used to know)
Somebody (I used to know)
Somebody (Now you're just somebody that I used to know)

KEYS:

Now and then I think of when we were **together**
Like when you said you felt so happy you could die
Told myself that you **were right** for me
But felt so lonely in your company
But that was love and it's an **ache** I still remember

You can get addicted to a **certain** kind of sadness
Like resignation to the end, always the end
So when we found that we **could not make** sense
Well, you said that we would still be friends
But I'll admit that I was **glad** it was over

[CHORUS]

But you didn't have to cut me off
Make out like it never happened and that we **were nothing**
And I don't even need your love
But you treat me like a stranger and that feels so **rough**

No, you didn't have to stoop so low
Have your friends **collect** your records
And then change your number
I guess that I **don't need** that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know (x2)

Now and then, I think of all the times you screwed me over
But had me **believing** it was always something that I'd done
But I don't wanna live that way
Reading into every word you say
You said that you could **let it go**
And I wouldn't catch, you hung up on
Somebody that you used to know

[CHORUS]

Somebody (Now you're just somebody that I used to know)
Somebody (I used to know)
Somebody (Now you're just somebody that I used to know)
