

Arrastra el número correspondiente.

The diagram shows several groups of numbers in circles, some connected by lines of different colors. The connections are as follows:

- Red numbers 15 and 17 are connected by a brown line to a single empty circle.
- Purple numbers 56 and 58 are connected by a blue line to a single empty circle.
- Red numbers 46 and 47 are connected by a grey line to a single empty circle.
- Red numbers 89 and 90 are connected by a dark green line to a single empty circle.
- Black numbers 38 and 39 are connected by a blue line to a single empty circle.
- Green numbers 59 and 60 are connected by a grey line to a single empty circle.

On the right side, there is a vertical list of numbers in circles: 16, 57, 48, 91, 40, and 61. These are the numbers to be matched with the groups on the left.
