LET'S PRACTISE!

1 Write the words.

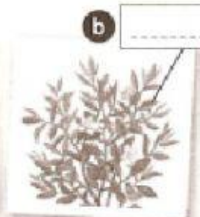

seed | carbon dioxide | fruit | leaves | ~~root~~ | oxygen

a root

b .....

c .....

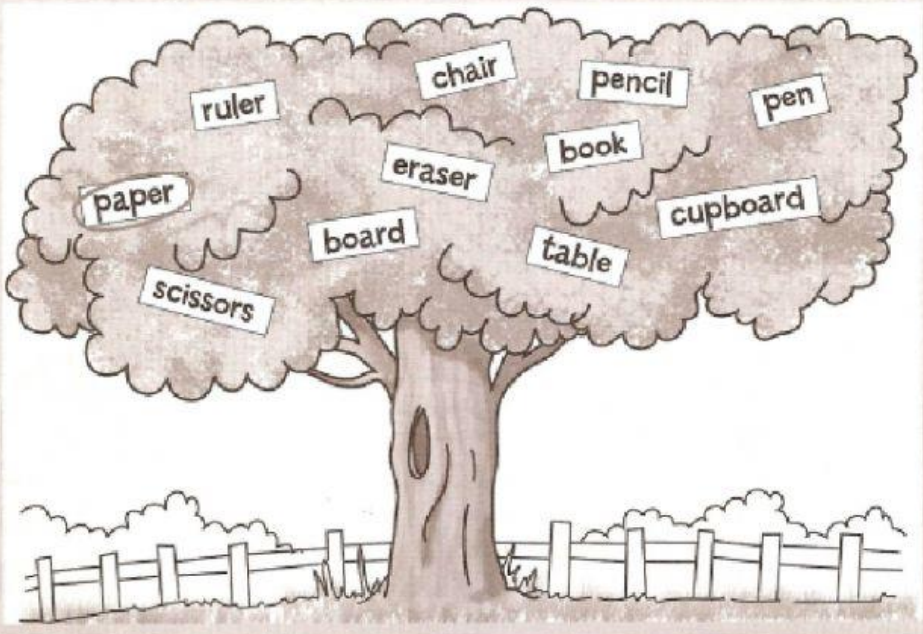

d .....

e .....

f .....

2 Look around your classroom. Circle the words that are made from plants.

LIVEWORKSHEETS

3 Read and order the words. Make sentences.

1 we plant? Shall grow a

2 Which grow? we plant shall

3 we do need? What

4 put shall our plant? Where we

5 does water How much plant the need?

6 the plant water? How often need does

1 Shall we grow a plant?

2 .....

3 .....

4 .....

5 .....

6 .....

4 Now answer the questions. Write the correct number.

We need some cotton wool, some water and a glass. ☐

Let's grow these seeds. ☐

It doesn't need very much. ☐

We must put it next to the window. ☐

It needs some every day. ☐

Yes, that's a good idea. 1
