Read the passage again. Fill in the blanks with the words from the passage.

Help the Earth - Recycle!

Recycling is using something you don't 1 any more to make something 2 This helps the Earth because we don't 3 so much rubbish.

We can't recycle 4 but we can recycle metal, paper, 5 and plastic. For example, we can recycle 6 metal cans of soft drinks, 7 and glass bottles. We can use old plastic bottles to make new bottles and also 8 and clothes.

Everyone can recycle: just put metal, paper, glass and plastic in the recycling 9 not in the rubbish. So, next time you clean your room, 10 What can I recycle?
