Part B Read the text. Complete the chart. Draw and color the flag of England.

England

England is an island, but it is the part of the continent of Europe. Thousands of tourists visit the capital city of England, London, to see many famous places, "Buckingham Palace", the home of the Royal Family where Queen Elizabeth lives. Other places are also interesting like "London Bridge" and "London Eye".

In 1950, England ruled many countries such as India, Malaysia, Myanmar, Pakistan and Singapore. They are England's colonies. The people in many of these colonies still speak English Language.

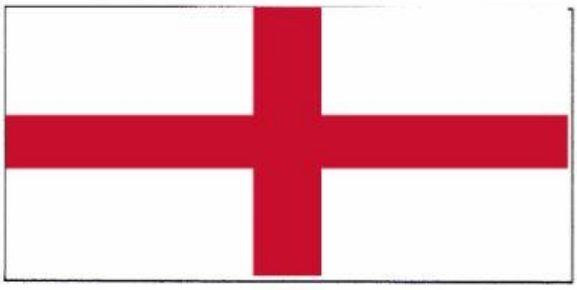

The population of England is about 60,270,708 people. It has a temperate climate. It rains a lot and the summer is not very long. There are four seasons in a year: summer, fall, winter and spring. One of the popular food is "fish and chips".

The English people love sports. The popular sports are rugby, cricket and football.
