### MOVING DAY

Complete this email. Use **not enough**, **too**, or **not as . . . as** and the adjectives or nouns in parentheses.

September 4

Dear Zach,

I moved into my new apartment yesterday, and it's really nice. It's very large, so it's

**not as cramped as** (cramped) the old one. My old place was \_\_\_\_\_ (big) for me.

More importantly, my new apartment is brighter. My old place was \_\_\_\_\_ (dark).

Unfortunately, the neighborhood is \_\_\_\_\_ (convenient) my old one. There are \_\_\_\_\_ (buses), and there's no subway nearby, so I drive to work. Shopping is also more difficult. The stores are really nice, but they're \_\_\_\_\_ (expensive) for me! I hope you can come and see it soon.

Love,

Tamara
