Yes, that's right –
what's the top hit this week?
Which song did you listeners choose as
the top recording?
Whose DJ mix wins the top position?

But first, we'll interview a music fan who started her own recording career after listening to just one audio track from her brother's collection. Three years later, and she's just won a local music prize for electronic mixing. Her name is Letty, and she's here to perform her mix now, live in the studio. Listeners, what's your opinion? Will it be the next cool hit?
