- Henry VIII was born in 1491. He was King of England from 1509 to 1547 and is famous for separating the Church of England from the Roman Catholic Church, and for his six wives. When he was young, as in this picture, he was very strong and good-looking. He was an excellent sportsman, and was also a good musician and poet. However, in his old age he was very fat and always in pain.
- The Brontë sisters, Charlotte, Emily, and Anne, were born between 1816 and 1820 in a small village in the north of England. They were all writers, but only Charlotte, with her novel Jane Eyre, was famous in her lifetime. Their brother Branwell, the painter of this portrait, was originally in the picture between Emily and Charlotte. He wasn't happy with his self-portrait and now the painting shows only the three sisters.
