5 The astronaut's going to use his **computer / oven** get food.

6 Jim thinks we'll use **planes and trains / rockets** more.

7 Su-Lin thinks we'll use cars which will **sail / fly.**

8 Jenny thinks Pablo's comic book will be **boring / exciting.**

Exercise 2: Choose the correct words.

who / about / so / will / him / won't /

This morning, we had a great conversation _____ the future. Jim and Jenny think transport _____ be different. We'll use faster and cleaner trains and planes, and people _____ use their cars on roads. We also talked about my new story. It's about an astronaut _____'s going to travel into deep space. He's going to be big and strong and he's going to go to new planets. He'll have a special spacesuit _____ he can do amazing things. Ivan thinks that in the future, people will eat more. He didn't like the idea of using a computer to get food! That's because he's always hungry and food is very important to _____.
