

Module 1: Ratios and Rates

Lesson 2: Tables of Equivalent Ratios

1. Find equivalent ratios by multiplying by 2, 3 and 10:

Peanuts	2			
Candies	5			

Squares	3			
Circles	4			

Pencils	1			
Pens	6			

2. Find the missing values:

Drops of Yellow	6	?
Cups of Icing	2	8

3.

Check

To make three loaves of banana bread, you need 9 bananas. How many bananas are needed to make one loaf of banana bread?

Loaves of bread		
Banana
