

Learning objective: To identify multiples of 2 and 10.

Choose the multiples of 2		
6	11	4
10	5	8
3	7	1
2	9	12

Choose the multiples of 10		
60	11	40
10	5	80
3	7	1
25	9	20

I can identify multiples of 2 and 10.

'I don't understand this yet.'

'I think I understand, but could not explain it to someone else.'

'I understand this well and could explain it to a friend.'
