We had a great day at the zoo today. I wanted to feed the dolphins straight away, but the first thing we did was to go to the elephant house. They're such big animals and it takes a long time to wash them. Because the lion enclosure was nearby, we went there next. There was a really small cub that looked so beautiful! After lunch, we went to have a look at the gorillas, but they seemed to be sleeping. Finally, we went to the aquarium. It was so exciting. I could watch dolphins all day!
