

My favorite sport

My name is Jordan and I am 11 years old. I'm very fond of sports, but my favorite sport is basketball. I play basketball at school, at home, at the park, everywhere!

I have been playing basketball since I was 6 and I have always wanted to be a professional basketball player. I am big fan of Michael Jordan, in fact, he is my favorite player.

I am in the school team and we train three days a week. It is very tiring! We train on Mondays, Wednesdays and Fridays, and we have matches every Sunday. From time to time we have tournaments with other schools and it is quite exciting.

I dream one day having a successful career as a professional basketball player.
