My name is Elena and I'm a pupil of Green School. My school is in Orange Street. I am twelve years old. I would like to tell you a few words about my school life.

Igo to school five days a week except Saturday and Sunday. Classes in my school start at 8 o'clock in the morning and end at 15.30. I often have 6 or 7 lessons a day. I study a lot of different subjects: English, History, Geography, Biology, Physics, Chemistry, Math, etc. I like English because I can learn lotsof interesting things in England. I usually receive good marks in this subject. I wish to become an English teacher in the future.

This is my school. It was built about ten years ago. My classroom is on thethird floor. Its windows face the school-yard. There are two large windows in my classroom; a great amount of flowers grow in pots that stand on the window-sills. Pupils in my class are responsible for watering the flowers several times a week. And I all do it with great care and pleasure. On the walls of my classroom there are different colour maps, portraits, and wall newspapers. My school has a stadium, a library, a gym and a computer room, too. I love my school so much.
