

READING

Hi, my name's Melissa. I'm 15 and I'm doing my 4th grade. My day starts very early. I wake up at six and have a big breakfast. I often have a cheese sandwich, toast, an apple and cereals and I have some fruit juice too. Then I walk to school.

I like school but it is difficult for me because school starts at quarter to eight in the morning and I go to bed at 1!

I have a lot of subjects but my favourite are Music and PE. School finishes at 3 in the afternoon. Then my friends and I have some cookies at the cafeteria. They make the best cookies.

After that I go to dance school. I have lessons every day.

I arrive home at 8 o'clock, I have a shower and I help prepare dinner and wash the dishes. We always have dinner together - it's family time so I can't use my mobile.

Later I do my homework, study for my tests and read blogs on the Internet. Now I'm reading about different schools around the world. Some schools are really interesting. For example the Boat School in Bangladesh. Students have their lessons on boats!
