2- Leemos sobre Anton un adolescente en Rusia.

A TEENAGER IN MODERN RUSSIA

Anton is Russian. He lives in Moscow, the capital of Russia. Russia is a very big country. Part of Russia is in Asia and part is in Europe. It has eleven time zones!

In Russia, school starts in September and finishes in May or June.

I go to school in the morning, from 8.00 a.m. to 2.00 p.m. I get up at 7 o'clock. First, I brush my teeth and have a shower. Then I have breakfast and go to school – every day of my life! Well, I don't go to school exactly every day. I have classes on Saturdays, special lessons: art, languages, music ... My weekends are always very short.

My sister Darya goes to a different school. She doesn't have classes on Saturdays and her school finishes at 4.00 p.m. She usually has tea at home, at 5.00 p.m. or 6.00 p.m. After that, she always practises on the piano. She plays the piano and I play the guitar. We sometimes make music with our friends at weekends.
