(*c*) Siti mendapati banyak siput di kebun sayurnya. Dia mengutip siput itu untuk mengelakkannya daripada memusnahkan sayuran.

Apabila dia menyentuh siput itu, siput itu memasukkan badannya ke dalam cangkerang.

Mengapa?

Siti finds out that there are many snails in her vegetable garden. She collects the snails to avoid them from destroying the vegetables.

When she touches the snails, they withdraw their bodies into their shells.

Why?
