talk again to your parents

you earn some money

odd jobs for others

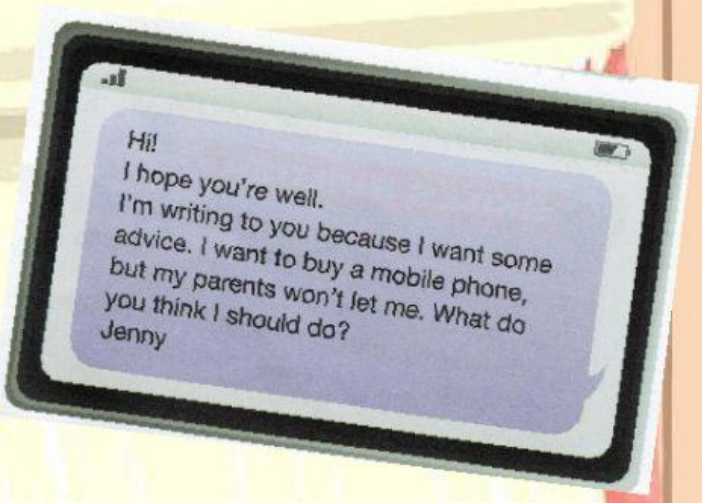

when you have enough money

you need to save up some money

Best of luck!

Don't forget to mention

A mobile phone is quite costly too

Hi Jenny,

Sorry to hear about your problem. I hope I can help.

I know you want to buy a mobile phone but your parents disagree. _____.

Firstly, _____. Do some chores or _____ like doing the laundry, ironing, cutting the grass or babysitting so that _____.

Next, _____ in your saving, you can _____. Tell them the reasons why you need the mobile phone. _____ you have saved up to buy one. Then maybe they will change their minds.
