My day!

Hi!

My name's George. I live on a farm in Australia with my mom and dad, my sister Lily, Roger (our dog), three horses, and 500 cows.

Lily and I don't go to school. We talk to our teachers on our computers.

My parents are farmers and they get up at five o'clock and work. I get up at six o'clock. I do my lessons in the morning. In the afternoon, I help on the farm, play, or ride the horses.

In the picture, you can see me with Lily, Roger and Dad. We're walking on the farm next to a river. We go swimming and fishing there.

Please tell me about your day.

George
