

# WHAT A MESS!

1. Put the words in order. Then match to the pictures.

Example:

1. red A ball.

A red ball.

2. big. are Whales

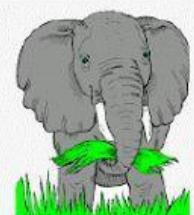

3. plants. Elephants eat

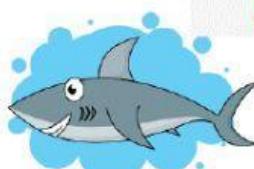

4. book. read I a

5. yellow Two ducks

6. birds are The singing.

7. can Sharks swim.

8. to like eat carrots I

## 2. Fill in the gaps with one word.

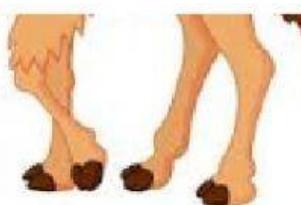

Camels are herbivores. They eat \_\_\_\_\_. They have four \_\_\_\_ and two \_\_\_\_\_ on their back. Camels store food inside their humps.

Camels live in the \_\_\_\_\_. Sometimes, they don't drink \_\_\_\_\_ for weeks! They are very \_\_\_\_\_ animals. But they are also very fast. They can \_\_\_\_\_ very quickly.

Camels have special \_\_\_\_\_ that protect their eyes from the sand.

In the desert, many people use camels like a transport.
