

- 1- Escreve (y) no quadrado do que tem na cidade e (n) no do que não tem:

- | | | |
|---------------------------------------|--|---|
| 1 Does the town have a swimming pool? | Yes, it does. ☐ | No, it doesn't. ☒ |
| 2 Does the town have a café? | Yes, it does. ☐ | No, it doesn't. ☐ |
| 3 Does the town have a park? | Yes, it does. ☐ | No, it doesn't. ☐ |
| 4 Does the town have a hospital? | Yes, it does. ☐ | No, it doesn't. ☐ |
| 5 Does the town have a movie theater? | Yes, it does. ☐ | No, it doesn't. ☐ |
| 6 Does the town have a train station? | Yes, it does. ☐ | No, it doesn't. ☐ |

2- Escreve os nomes dos locais das cidades nos espaços:

In our town, the school is on Blue Street in front of the train station. On Blue Street there are lots of stores. There is a bookstore, a toy store, and a shoe store. The toy store is between the bookstore and the shoe store. There is a park behind the stores. And there is a swimming pool behind the park. Next to the swimming pool, there is a playground.
