wakes up next to you -
gets drunk next to you -
goes along with you -
haverin' to you

When I wake up, well, I know I'm gonna be
I'm gonna be the man who
When I go out, yeah, I know I'm gonna be
I'm gonna be the man who
If I get drunk, well, I know I'm gonna be
I'm gonna be the man who
And if I haver, yeah, I know I'm gonna be
I'm gonna be the man who's

But I would walk five hundred miles
And I would walk five hundred more
Just to be the man who walked a thousand miles
To fall down at your door

comes back home to you -
workin' hard for you -
growin' old with you

[Verse 2]When I'm workin', yes, I know I'm gonna be
I'm gonna be the man who's
And when the money comes in for the work I do
I'll pass almost every penny on to you
When I come home (when I come home), oh, I know I'm gonna be
I'm gonna be the man who
And if I grow old, well, I know I'm gonna be
I'm gonna be the man who's

[Chorus]

But I would walk five hundred miles
And I would walk five hundred more
Just to be the man who walked a thousand miles
To fall down at your door

dream about the time when I'm with you -
lonely without you - comin' home with you -
comes back home with you - goes along with you

When I'm lonely, well, I know I'm gonna be
I'm gonna be the man who's
And when I'm dreamin', well, I know I'm gonna dream
I'm gonna
When I go out (when I go out), well, I know I'm gonna be
I'm gonna be the man who
And when I come home (when I come home), yes, I know I'm gonna be
I'm gonna be the man who
I'm gonna be the man who's

But I would walk five hundred miles
And I would walk five hundred more
Just to be the man who walked a thousand miles
To fall down at your door
