

THE SHOW MUST GO ON

Empty spaces, what we for?

Abandoned places, I guess we know the score, on and on

Does anybody know what we for?

Another hero, another mindless crime

the curtain, in the pantomime

Hold the line

anybody want to take it anymore?

The show must

The show must go on, yeah

Inside my heart

My makeup may be flaking

But my still, stays on

Whatever happens, I'll leave it all to chance

heartache, another failed romance, on and on

Does anybody know what we are living for?

I guess I

I must be warmer

I'll soon be round the corner now

Outside the dawn is breaking

But inside in the I'm aching to be free

The must go on

The show must go on

my heart is breaking

My makeup may be flaking

But my still, stays on

My soul is painted like the wings of

Fairy tales of yesterday, grow but die

I can fly, my

The show must go on

The show must go on

I'll face it with a grin

I'm never in

On with the show

I'll top the bill

I'll overkill

I have to find the will to carry on

On with the show

Show

Show must go on, go on, go on, go on, go on, go on, go on, go on
