SOCIAL STUDIES: PROTECTING OUR LAND

Study the picture and read the extract below, then answer question **(a)**. Use your background knowledge about land and sea features in The Bahamas to answer **(b)**, **(c)**, **(d)**, and **(e)**.

In The Bahamas, we have an exceptionally beautiful environment. We are surrounded by warm, clear seas that are full of life. Many different features – low hills, lakes, swamps, caves, lagoons, wetlands, tidal creeks, and flats provide a rich variety of environments containing many different plants and animals.
