

Emma Hey, look. That girl over there graduating.

Lloyd From college? Are you kidding? She more than 12. She can't be graduating, surely?

Emma Well, she's wearing a cap and gown.

Lloyd Huh. She a genius.

Emma Sure, but she must study a lot, too.

Lloyd Yeah, probably all the time. She too many close friends here. I mean, she's so much younger than everyone.

Emma Well, the guy she's talking to one of her friends.

Lloyd He could be. Or he one of her professors.

Emma True. . . . Oh, look. Those her parents – the people with the cameras.

Lloyd Yeah. They feeling pretty proud.
