

6.13 21st Century Tsunami

CAUSES OF EARTHQUAKE

FACTORS AFFECTING EARTHQUAKE

✶ INTERNAL FACTORS

1. How can a wave that is so powerful and tall on land be unnoticeable at sea?

2. How does an earthquake generate a tsunami?

3. Why did the Boxing Day Tsunami cause so much damage all around the Indian Ocean basin?

4. Why do you think there was more damage from the tsunami in Japan than from the earthquake that caused it?
