Yes! Maths Workbook 1B page 161

Practice 1 Reading Pictograms with Scales

1. Yati has some flowers in her garden.
The pictogram below shows the number of flowers for each colour.

Pink	Purple	Yellow	Red
			

Each  stands for 1 flower.

Fill in the blanks with the correct numbers.

(a) She has _____ pink flowers.

(b) She has _____ more red flowers than pink flowers.

(c) She has _____ fewer yellow flowers than purple flowers.

(d) She has _____ flowers altogether.
