

HEAVEN
by Bryan Adams

Listen and complete the blanks.

Oh, thinking about
All our younger years.
There only and me.
We were young and wild and free.

Now nothing take you away from .
We've been down that road before,
But that's over now.
You keep me back for more.

Chorus:]

Baby, you're all that I want.
When you're lying here my arms,
I'm finding it hard to believe
We're in heaven.
And love is all that I .
And I found it there, in your heart.
It isn't too hard to
We're in heaven.

Oh, once in your life
You find
Who will turn your world around,
Bring you up
When you're feeling down.

Yeah, nothing could change
you mean to me.
Oh, there's a lot that I could say
But just hold me now,
'Cause our love
Will light the way.

/Chorus/

I've waiting for so long
For something to arrive,
For love to along.

Now our dreams
Are coming true.
Through the times
And the bad,
Yeah, I'll be standing there by you.

/Chorus/
