Part 4. Read the passage about Mr. Matters below. Then determine the order of events that took place in the story.

Mr. Matters was a very well-liked neighbor that we had for years. One day he woke up and didn't feel so well. He decided to go see Dr. Jerome to see what the problem might be. Dr. Jerome is the best!

Dr. Jerome did some blood work on Ms. Matters. He found that his blood contains very little vitamins and minerals. He recommended that Mr. Matters to exercise three times a week for thirty minutes every time.

Mr. Matters wanted to feel better, so he followed the good doctor's advice. Every morning he woke up, he followed the same routine. First, he ate a grapefruit and drank a glass of water. He would then walk two miles. He would end off with a full body stretch. Then he would ride his bike to work.

As months went on, Mr. Matters felt a ton better. He began to help Ms. Stewart prune her garden every night after work. As a form of payment, Ms. Stewart would always make Mr. Matters a healthy dinner.

Place the order of events in order (1 being the first) by using 1-6.

_____ Mr. Matters went to the doctor.

_____ Mr. Matters helped prune Ms. Stewart's garden.
