

Making Pictograms

- 1 Uncle Juno has a farm.
Uncle Juno counts each type of animal on the farm.

Then, he records the number of each type of animal in a chart.

Type of animal	Chicken	Cow	Duck	Sheep	Horse
Number	10	2	12	6	4

Uncle Juno draws a pictogram to show the number of each type of animal.

Animals on Uncle Juno's Farm

Use the pictogram to answer these questions.

- Uncle Juno has types of animals on his farm.
- He has to draw ♥ to show the number of horses.
- He has animals altogether.
