

Read the following text about the city of Manama and answer the question

The city of Manama is a **unique** place in the heart of the Arabian Gulf. It is the **capital** city of the Kingdom of Bahrain. Manama is in the north-eastern corner of the country. Manama is an important trading centre in the Arabian Gulf. As a result, this modern city is **surrounded by** some of the most amazing **architecture** of the area, which merges the old and modern life of the city. There are wonderful **skyscrapers** and traditional villages. There is an eye-catching tower which has the **shape** of a twisted glass building.

Another unusual building, is the twin **towers** of the Bahrain Financial Harbour (BFH), which are a **symbol** of Bahrain's efforts to save the environment through reducing the use of energy. This tall structure is 240 m. (787 ft.) high and is the first skyscraper in the world to integrate wind turbines into its **design**. The weather in the winter is pleasant. But it can get hot in the summer, with temperatures reaching up to 40°C. Because of its high temperatures, Manama offers a lot of **indoor** activities. Such as an indoor water park, and amazing playing areas. The **residents** of Manama can enjoy a variety of outdoor activities. They could visit one of the malls in Manama or the Manama Souq where you can buy some of the finest Bahraini gold and have a taste of traditional Bahraini sweets.
