

Unit 2: Comparing and ordering numbers

Revision of unit 2

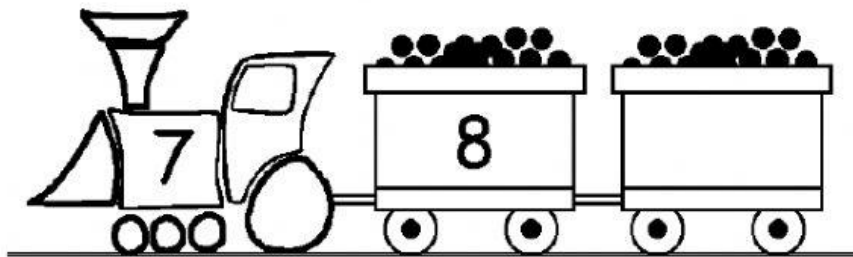

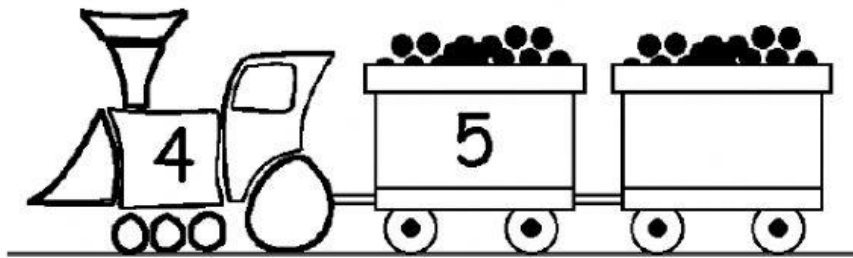

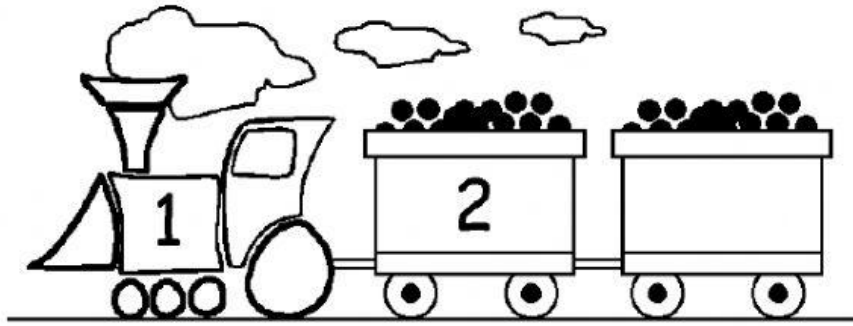

- Understand the concepts of “more”, “less” and “equal”.
- Recognize the larger/smaller number in pair.
- Order numbers to 10.

1. Choose the one that has **LESS** number of things in each set.
(Chọn ô chứa ít vật hơn)

2. Write the missing numbers. (Điền số còn thiếu)

3. Let's practice! (Luyện đọc)
