Subject: News from our trip!

Dear Blake,

Lucas and I are visiting Paris!!! We are spending 7 days here. I'm doing fun things. I'm eating and shopping, and Lucas is relaxing. We are enjoying this great weather. We're staying at the Royal Jardin Hotel. What a great place! I really like it a lot. Right now I'm sitting at a cafe and I'm writing this email. We are having a good time around the city. The best part is that I'm not working and my boss isn't calling me here.

Love, Janet

P.S. Are you watering our plants? We hope so. 🙏
