Bad habits

Ed Sheran

Every time you **come came** around,
you **know knew** I can't say no
Every time the sun **go goes** down,
I let you **take took** control
I can **feel felt** the paradise before my world implodes
And tonight **had have** something wonderful

My bad _____ lead to late _____,
endin' alone
_____ with a stranger I barely know
Swearin' this will be the _____,
but it probably won't
I got nothin' left to _____, or use, or do

My bad habits lead to wide eyes stare into _____
And I know I'll lose lost **control of the things that I say**
Yeah, I was were **lookin' for a way out,**
now I can't escape
Nothin' happens after four two**, it's true, it's true**
My bad habits lead to you

Ooh-ooh, ooh-ooh
My bad habits lead to you

Every pure intention **ends finds** when the good times start
Fallin' over everything **to for** reach the first time's spark
It started **down under** neon lights and then it all got dark
I only know how to **go went** too far
