

Unit 2: Lesson 1: "Lets count"

Writing

1- Complete the table.

Example: one + six = seven.

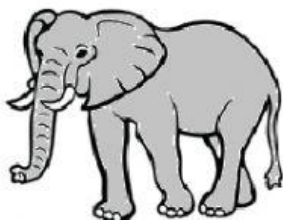

add + → ↓	one	two	three	four	five
six	seven				
seven			ten		
five					
two				six	
one					

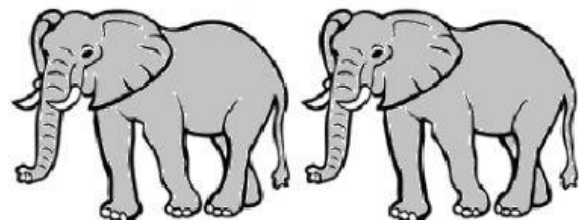

one little elephant

two little elephants

one big elephant

two big elephants

Unit 2: Lesson 1: "Let's count"

Reading

1- Look at the pictures of elephants. What is different?

→ One and two

→ One and two

What's new??

If there's more than one (2 and more), we add "s" to the noun/word
Example: one book → two books

Writing

1- Write these words in plural

cat → cats

dog →

duck →

pen →

bag →

book →

2- Look at the pictures and write their noun in the plural

.....

.....

.....

Unit 2: Lesson 1: "Lets count"

Reading

1- Read the paragraph and underline only the plural nouns.

Sandy needs to find a pair of shoes to wear to the park that day. She found one of her boots behind the chairs in her bedroom, but the other was nowhere to be seen. Sandy looked under a pile of books. She looked through all her drawers and in the closets. She finally found her second boot in the very last place she thought to look: under her bed!

Thank
you!
