Task 2: Read the text.

This is Amiso.
Amiso is a very smart robot.

Can Amiso walk?
Many robots can't walk but
Amiso can walk and run. It can
climb up stairs. Amiso can
dance and kick a ball, too!

Can Asimo listen?
No, it can't. Amiso can't listen to music.
It can dance because it can copy people.

Can Amiso talk?
Yes, it can. Amiso can talk, but it can't study like you can.
You can read a book and write a story but Amiso cannot.

Can Asimo eat?
Amiso can't eat and drink. It can't smile too. But it can help people
to clean the house and cook some meals.

Now tick (v) or cross (x) the things that Asimo can and can't do
